- ATHLETICS - ATHLETIC TRIPS/TRANSPORTATION

The use of school buses for transporting athletes after football practice sessions may be granted. All regular policies and procedures regarding extra curricular use of bus transportation will prevail.

Students cannot be charged for riding school buses for extra class activities by increasing the price of admission tickets.

Transportation can be provided through school funds, club funds, or volunteer services.

When a request is made for the use of school buses, this request must be approved by the Transportation Director and/or Assistant Superintendent in charge of Transportation.
