CARE OF THE BUILDING
FLAG DUTIES

1. The custodian shall have general care of the United States National Flag and display it at the proper time in accordance with the accepted code of flag etiquette. The flag shall be displayed from the flag pole on the building or grounds in fair weather from 8:00 a.m. and on throughout the day.
2. The custodian shall see that the flag is always in good order and repair. He should always show respect and carefulness in handling it. Care should be taken when attaching it to the halyard and in hoisting it.
