CARE OF THE BUILDING  
CUSTODIAN'S ATTENDANCE AT EXTRA-CURRICULAR ACTIVITIES

The custodian is expected to be present to unlock and lock and generally supervise the care of the building at all extra-curricular activities, whether they be school activities or a meeting of some outside group. If it is an outside group, they are expected to pay the custodian one and one-half times his average hourly salary for each hour spent, if he is working overtime. School organizations will pay nothing; however no custodian shall be permitted to work over 40 hours per week without being paid overtime.

If it becomes necessary to work over 40 hours per week, overtime must be approved by the Superintendent before overtime work is performed.
