Use of Facilities - School Property Use

It shall be the policy of the Board of Education of the County of Mingo to make available school facilities to all organizations with the exception of those organizations conducting commercial ventures, business for profit or religious services. Such use will be permitted subject only to availability of the facility after all school or school-related uses have been accommodated and subject only to a fee for extra services required to carry out the function for which the request is submitted. All requests for the use of a particular building will be requested through the principal for the school involved. The administrative staff shall establish rules and regulations to control the use of the buildings.

The Board will not permit the use of schools for private social functions, regular commercial ventures or regular business for profit.

Requests for the use of school buildings for religious purposes shall not be granted. However, baccalaureate services may be held provided the major purpose of such baccalaureate service is teaching and stressing moral and ethical values and is not religious.
