

CHILD NUTRITION

500.00 OPERATION OF CHILD NUTRITION PROGRAM

The Mingo County Board of Education believes that a nutritionally adequate breakfast and lunch program is an important component of the total education program.

It is the Board's intent to make available for all participants a nutrition program that supports health and learning and operates effectively and efficiently; additionally, it is the Board's intent that the program be operated in compliance with state and federal financial management and accountability requirements.

To this end, the Child Nutrition Program shall be operated pursuant to the procedures set forth in State Policy 4320.
