612.00 SPECIAL EDUCATION

The Mingo County Board of Education believes that all exceptional students have the right to a free, appropriate public education.

It is the Board's intent to make available for all students with disabilities between three and twenty-one years of age, all gifted students in grades 1-8, and all exceptional gifted students in grades 9-12, special education and related services designed to meet their unique educational needs.

The Board therefore directs the superintendent and administrative staff to promulgate administrative procedures that will ensure an effective special education program which is compliant with applicable state and federal policies, regulations, and laws.
