## **615.00     Alternative Education Program (AEP)**

The Mingo County Board of Education believes it is of paramount importance to: (1) provide a safe and orderly learning environment for all students and (2) meet the educational needs of disruptive students.

To facilitate this, the Board shall strive to provide an Alternative Education Program designed to provide educational and social development for students whose disruptive behavior interferes with the learning environment and/or for students whose disruptive behavior places them at risk of not succeeding in the regular school structure and in adult life without positive interventions.
